

## Introduction to Lewis from Your Great Adventures

Hi, I'm Lewis and I run Your Great Adventures - Personal Travel Planning. Having been fortunate enough to travel to a number of countries with my parents from a very early age, I'm sure it's no surprise that I love travel. I've worked and been involved in travel

for many years, my first job in 1992 was working for Highgate Travel in North London. I've travelled Europe, Africa and the US, but it was my passion for providing a great personal travel service, impartial honest advice and a love holidaying in Florida with my family, that inspired me to create Your Great Adventures.

Your Great Adventures is an independent travel agency based in Coggeshall, we are backed by Hays Travel and are fully ABTA bonded (L3832) with all our packages ATOL Protected.

As a fully independent travel agent that specialises in tailor made holidays, I am grateful to do what I love, researching, advising and booking my clients dream honeymoons and holidays. I work with carefully chosen suppliers and tour operators, to ensure that you not only get the very best destinations and resorts, but great value too, wherever that is in the world!

I'd be honoured to help you with your very special honeymoon or holiday arrangements. So please give me a call or drop me an email to have an initial, no obligation chat about your next adventure.
